27. CORPORATE ACTIONS AND DIVISION EVENTS

- 27.1 If a Corporate Action, or Division Event occurs in relation to any Underlying Asset and/or its issuer or technology environment (for example, distributed ledger technology), Vantage FX may, acting in a commercially fair and reasonable manner, make adjustments to an Open Position (including any stop order or limit order) to preserve the economic equivalent of such Orders prior to the relevant event or to reflect the effect of such event on such Orders. Any such adjustments will be effective as of a date reasonably determined by us.
- 27.2 Vantage FX will not make dividend payments.
- 27.3 If a Client is the Long Party for a Share CFD which goes ex-dividend, Vantage FX will credit the Account with a cash adjustment to reflect the impact of the dividend on the Orders. The amount of the adjustment will depend on the amount of the gross dividend on the relevant number of Share CFDs on the ex-dividend date.
- 27.4 If a Client is the Short Party for a Share CFD which goes ex-dividend, Vantage FX will debit the declared cash dividend from the Account. The amount of the adjustment will depend on the amount equal to the gross dividend on the relevant number of Share CFDs on the ex- dividend date.
- 27.5 If an Underlying Asset to which an Open Position relates is subject to a Merger Event, Vantage FX reserves the right to close any or all affected Open Positions at anytime during the Merger Event. Vantage FX will not close any Open Position that is subject to a Merger Event unless it has provided reasonable notice to the Client of a deadline for the Client to close their Open Position and the position remains open after this deadline.
- 27.6 Vantage FX reserves the right to adjust the opening price of any Financial Product that is subject to a Merger Event to reflect any cash portion of the offer or to amend the size to reflect any corresponding adjustment to the Underlying Asset caused by the Merger Event and/or to close the affected Open Positions and reopen a new position reflecting the new Underlying Asset that has been created. Any such adjustments will be effective as of a date reasonably determined by Vantage FX us.
- 27.7 If Vantage FX determines that no adjustment can be made under this clause 27 which would produce a commercially reasonable result, Vantage FX may close the Client's Open Position at the Close-Out Value on a date reasonably determined by Vantage FX.
- 27.8 Where the Client is the Long Party for a Share CFD in relation to a US stock or security, and the Share CFD goes ex-dividend, Vantage FX is required by US tax legislation to withhold 30% of the cash adjustment to reflect the impact of the declared dividend. Vantage FX will remit the amount withheld to its liquidity provider who will account the withheld amounts to the proper US authorities. Clients can view amounts withheld for US tax legislation purposes from their account.

- 28.2 The Guarantor acknowledges that Vantage FX is acting in reliance on the Guarantor incurring obligations and giving rights under this guarantee and indemnity.
- 28.3 The Guarantor unconditionally and irrevocably guarantees to Vantage FX compliance with their obligations in connection with the Agreement, including each obligation to pay money.
- 28.4 If the Client does not comply with those obligations on time and in accordance with the Agreement, then the Guarantor agrees to comply with those obligations on demand from Vantage FX. A demand may be made whether or not Vantage FX has made demand on the Client.
- 28.5 The Guarantor indemnifies Vantage FX against any liability or loss arising from, and any costs it incurs, if:

- 28.8 The guarantee in clause 28.3 is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Client's obligations in connection with the Agreement. The Guarantor waives any right it has of first requiring Vantage FX to commence proceedings or enforce any other rights against the Client or any other person before claiming from the Guarantor under this guarantee and indemnity.
- 28.9 The Guarantor acknowledges that, before entering into this guarantee and indemnity, it:
- (a) was given a copy of the Agreement (and all documents giving rise to the obligation in connection with the Agreement) and had full opportunity to consider their provisions and obtain legal advice; and

- 28.12 The rights given to Vantage FX under this guarantee and indemnity, and the Guarantor's liabilities under it, are not affected by any act or omission by Vantage FX or any other person. For example, those rights and liabilities are not affected by any act or omission:
- (a) varying or replacing the Agreement;
 - (b) releasing the Client or giving the Client a concession (such as more time to pay);
 - (c) releasing any person who gives a guarantee or indemnity in connection with any of the Client's obligations;
 - (d) by which a person becomes a Guarantor after the date of this guarantee and indemnity;
 - (e) by which the obligations of any person who guarantees any of the Client's obligations (including obligations under this guarantee and indemnity) may become unenforceable;
 - (f) by which any person who was intended to guarantee any of the obligations does not do so, or does not do so effectively;
 - (g) by which a person who is co-surety or co-indemnifier is discharged under an Agreement or by operation of law;
 - (h) a person dealing in any way with the Agreement or this guarantee and ~~redem~~ ~~redem~~;
 - (i) the death, mental or physical disability, or liquidation, administration or insolvency of any person including the Client or the Guarantor;
 - (j) changes in the membership, name or business of any person;
 - (k) acquiescence or delay by Vantage FX or any other person.
- 28.13 As long as any obligation is required, or may be required, to be complied with in connection with this guarantee and indemnity, the Guarantor may not, without our consent:
- (a) reduce its liability under this guarantee and indemnity by claiming that the Client or any other person has a right of set-off or counterclaim against Vantage FX; or
 - (b) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, mortgage, charge or other encumbrance given in connection with the Agreement or any other amount payable under this guarantee and indemnity; or
